A Special Variance allows a 16- or 17-year-old minor to work up to 28 hours per week with 6-hour shifts during the school week with approval of the authorized school official and the parent. All parties must agree to these additional hours, [pursuant to WAC 296-125-070(3)].

School officials should not sign for any additional hours allowed by the Special Variance if a review of the student's progress indicates the additional work hours will be detrimental to the minor's educational activities.
